The Board of Directors' proposals

Allocation of the Company's profit or loss (item 8.b)

The Board of Directors proposes that no dividend for the financial year 2024 is to be paid.

Proposal for a resolution to amend the Articles of Association (item 15)

The Board of Directors proposes that the AGM resolves to amend the Articles of Association to enable general meetings of the Company to be held at the place where the Board of Directors has its registered office or in the municipality of Mölndal.

The Board of Directors therefore proposes that the AGM resolves to add a new § 11 to the Company's Articles of Association, as follows:

“§ 11 Location of general meeting

The general meeting shall be held at the location where the Board of Directors has its registered office or in the municipality of Mölndal.”

As a result of the new provision, the numbering of subsequent paragraphs in the Articles of Association will also be changed.

The Company's CEO shall be authorized to make the minor formal adjustments to the resolution that may prove necessary in connection with registration with the Swedish Companies Registration Office.

Authorisation for the Board of Directors to resolve on new issues of shares, warrants and/or convertibles (item 16)

The Board of Directors proposes that the AGM authorizes the Board of Directors to, on one or several occasions during the period up to the next AGM, resolve on new issues of shares, warrants and/or convertibles, with or

without deviation from the shareholders' pre-emption rights. Payment may be made in cash, through set-off, with capital contributed in kind, or otherwise as per conditions pursuant to Chapter 2, section 5, second paragraph, items 1–3 and 5 of the Swedish Companies Act.

The number of shares that can be issued, or, in the event of an issue of warrants and/or convertibles, added after exercise, with the support of the authorization shall not be limited in any other way than by the limits for the share capital and number of shares, as set forth from time to time in the registered Articles of Association.

The reason for the proposal and the possibility of deviation from the shareholders' pre-emption rights is to broaden and strengthen the ownership with strategic shareholders, procuring or facilitating the procurement of working capital, increasing the liquidity of the share, making acquisitions, or procuring or facilitating the procurement of capital for acquisitions.

The Company's CEO shall be authorized to make the minor formal adjustments to the resolution that may prove necessary in connection with registration with the Swedish Companies Registration Office.

Resolutions in accordance with items 15 and 15 above require approval of at least two thirds of the shares represented and votes cast at the AGM.
